EMPLOYMENT HISTORY FILTER DIGITAL (SEATTLE, WASH.), March 2014 - present

- **PHOTO EDITOR**, Duties include researching, editing, toning and cropping of relevant photos for trending topics to appear online within the results on the Bing search engine. Extreme deadline pressure forces very quick decision making and exacting caption writing as well as the ability to closely coordinate with other editors and producers to match search intent.

The University of Washington

- **PHOTO EDITOR**, Seattle Seahawks game photo editor providing photos to update official social media accounts in real time as well as archival use. Proficiency in toning raw format files.

THE HERALD (EVERETT, WASH.), January 2004 - March 2014

- **STAFF PHOTOGRAPHER**, Work includes a strong focus on professional, college and high school sports. Covered the 2010 Winter Olympics in Vancouver, B.C. and the 2006 and 2014 NFL Super Bowls. Responsibilities include shooting, editing, toning and transmitting on deadline. Used a combination of texts and first hand experience to troubleshoot color profile problems with our computer monitors and the printing press, resulting in measurably better color in print and online. Ability to put subjects at ease, producing unique and dramatic portraits. Have stayed current with digital photography trends to use the newest technology and software to quickly transmit photos to the office.

- **PHOTO EDITOR**, Starting in 2013, I was the photo editor for the features and sports sections, editing and assigning four other staff photographers. Worked with page designers and editors to layout photo pages and daily stories and gather stock art to illustrate story ideas.
